

A warm welcome awaits you when you arrive at the Hartfield Village Fete Horticultural & Dog Show ready to enjoy a full afternoon's entertainment. The Town Croft is a picturesque location situated in the lovely Sussex country village of Hartfield, home of Winnie the Pooh. Our fete grows in popularity each year and has earned a reputation for being one of the best around. Proceeds are distributed to help our local groups and societies. Last year a fantastic sum of £13,000 was given out.

ENTRY DETAILS. Car parking is FREE in the field adjacent to the Town Croft, but this year there will be a £1 FETE ENTRY CHARGE for everybody (except for babes in arms and small children in buggies) For this single gold coin you will get a wealth of free entertainment for ALL ages throughout the whole afternoon. A separate optional village directory/ programme will also be on sale for £1 - this will carry a lucky number for a cash prize and detailed time table of events during the day as well as packed with local information. Details of how to apply for funds from the proceeds of the fete will be included therein. **Disabled facilities** are of course available but even if you are a blue badge holder you must still apply to the Fete Committee in advance, giving your car registration number as such spaces are in very short supply and you will not be allowed onto the Croft without such a pass.

HORTICULTURAL & DOG SHOW The spacious marquee will house a fantastic array of flowers and produce together with amazing crafts and photographic exhibits. Entry forms for all categories are now available at Hartfield Village Stores including some for children. The popular dog show with many classes always attracts many entries. The Doggie Dash and Doggie Hide & Seek returns – enormous fun for both dogs and owners.

REFRESHMENTS Why not start with a refreshing drink from our well-stocked bar and linger there whilst you meet and chat with friends old and new. Feast on the succulent choice from the BBQ with vegetarian options or perhaps choose a lighter meal from a selection of salad and quiches. As the afternoon wears on, just imagine sitting relaxing with a refreshing cuppa whilst taking in the beautiful surroundings and tucking into a selection of truly scrumptious homemade teas and cakes.
